- (1.30p.m. – 3.30p.m.)

Description

Byte Lab (Zagreb, Croatia) is an independent engineering company focused on embedded system development. Founded at the end of 2011, we are a fast growing company and the strongest design house in Croatia. We offer world-class engineering design services to our domestic and international clients. Our customers and partners are both small and medium-sized businesses as well as state-owned companies and Research and Development (R&D) departments in large companies.
